Expansion of British East India Company - Anglo-Nepal War

Anglo-Nepal War

Anglo Nepal War of 1814 - 1816

The Anglo-Nepal War (1814-1816) was a conflict between the British East India Company and the Kingdom of Nepal.

The war was significant as it marked the first time the British attempted to extend their influence into the Himalayan region.

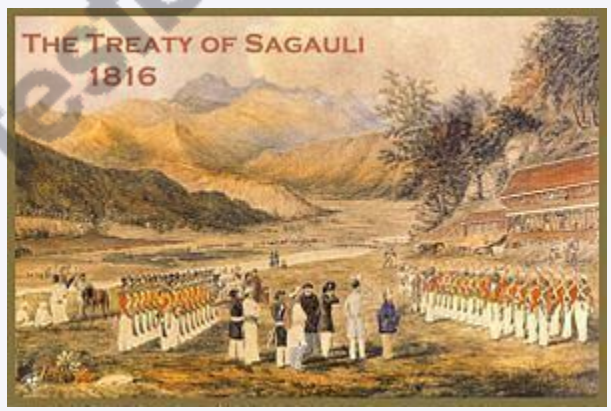
Below is a detailed overview, including a timeline and a chart summarizing the key aspects of the war.

Overview of the Anglo-Nepal War

Aspect	Details
Duration	1814–1816
Key Figures	King Gorkha Prithvi Narayan Shah (Nepal) General Ochterlony (British East India Company)

Causes	Expansionist policies of the Gorkha rulers. Border disputes between British India and Nepal. British interest in preventing any French influence in the region.
Main Battles	Battle of Makwanpur (1814) Battle of Bhatgaon (1814) Battle of Jhappa (1815) Battle of Sikkim (1815)
Outcome	British victory leading to the Treaty of Sugauli. Loss of territory for Nepal and recognition of British suzerainty over certain regions.
Treaty	Treaty of Sugauli (1815): Nepal ceded significant territories to the British and recognized British suzerainty over certain areas.

Timeline of the Anglo-Nepal War



1792	Treaty of Kathmandu: initial tensions between British and Nepal established.
1814	Hostilities began; the British launched military campaigns against Nepal.
November 1814	Battle of Makwanpur: British forces defeated the Gorkhas.
February 1815	British capture of critical forts; Gorkha forces show resilience.
November 1815	Major engagement at Bhatgaon; British win through superior tactics.
April 1816	Battles continue with British advances; Nepal's resources strained.
December 1815	Peace negotiations initiated
March 1816	Treaty of Sugauli signed; formal end to hostilities.

As per treaty,

- Nepal ceded the districts of garhwal and kumaon and abandoned claims to terai.
- Nepal accepted a British resident.

- Nepal also withdrew from sikkim
- The gurkhas joined the British army in large numbers.
